IMAGERY ANALYSIS SERVICE

PRODUCTION BOARD MEETING

Thursday, 27 April 1972 - 1330

MEMBERS PRESENT

\*OBSERVERS

25X1A

\* 25X1A

IAS NOTES

Five Notes were reviewed and approved for publication.

BOMB DAMAGE ASSESSMENT BRIEFING

25X1A  
25X1A  
25X1A [ ] briefed the members on bomb damage in Hanoi and Haiphong area caused by US air strikes. It was essentially the same briefing given to DDI and ADDI on 25 April. [ ] and the SAVA group will also be briefed by [ ]

OPERATING INSTRUCTIONS FOR IBM KEYPUNCH MACHINE

25X1A  
25X1A  
25X1A The machine was broken recently and [ ] suspected it was because some individual was not familiar with its use. To reduce the chances of this happening again he informed the members that [ ] would have two instruction sessions tomorrow. He asked that members send those people in their shops who would normally use this machine to receive instructions. [ ] is also available to assist those having problems with the machine.

XEROX MACHINE AREA

Vault security officers were asked to turn off lights in this area at night.

\* Attended discussion of Notes.  
\*\* Presented briefing.

MISSION STATUS

There will probably be a two day delay in arrival of the "4" mission.

COMIREX

EXSUBCOM

25X1A

Specialized Duplication. [ ] reported on the briefing given EXSUBCOM on printing of special high contrast DP's. He reported that the two producing organizations cautioned that even though they are not taxed by present requirements that their capability is limited and costly.

He stated that new devices are being tested by both organizations that offer potential improvements for production of specialized DP's. EXSUBCOM members were asked to express their interest in these new devices. IAS will provide response to [ ]

25X1A

25X1D

STATUS OF MICROFICHE PROJECT

25X1A

25X1A

[ ] reported IAS' 1970 requirement to NPIC for microfiche copies of various hard copy documents is still incomplete. Although this project has faltered badly, [ ] Chief, PB/R&RD has promised prompt remedial action. The Equipment team is studying IAS' needs for a new microfiche viewer for use in the registry area.

MANAGEMENT INFORMATION REPORT ON CY 1971

There was a lengthy discussion of RMB's report on IAS production effort during CY 71. Members agreed that this report is comprehensive and informative and that it can be referred to when checking trends that developed during the year. The Acting Director indicated copy should go in IAS historical file.
